

At your service

With so much choice of where to stay, what to do and where to visit, our friendly and knowledgeable staff are on hand to help you plan a perfect day or relaxing holiday.

Our award-winning visitor information centre and gift shop at Cartgate Picnic Site offers a fantastic range of Somerset brochures and leaflets as well as UK wide destination guides, books and OS maps. We proudly support more than 20 local Somerset and South West makers, businesses and producers, so you might just find a special keepsake to make your holiday last that little longer. Call in to our centre to discover local hidden gems, handy hints and tips. We can also help with transport information, tickets for local events and discount vouchers too.

The local information centres (LICs) are often staffed by volunteers and opening times are limited. Some are not manned and are information points only.

Welcome to South Somerset

A perfect spot to explore unspoilt countryside where heritage and history can be found in every nook, cranny, town, village and landscape.

Cosy romantic weekends are a speciality, as are adventure-packed family activity breaks. We're the real deal English countryside. The rich pastures, traditional orchards, walled gardens and acres of rolling farmland are at the heart of what we are. Discover world renowned cheeses, great ciders, brandies and gins as well as a vibrant arts and culture scene to keep you entertained.

Walkers, naturalists, cyclists, riders, foodies, and fans of all things quirky – you'll be happy here.
